

To all of our valued Customers, a message from Richard Lockwood, MD

Due to the current unprecedented situation, we have now temporarily closed our office, however, our online business currently remains open and we are still processing your orders which we appreciate very much. We will continue online for as long as we remain healthy, it's safe enough, and within government guidelines to do so.

We have reduced our staff to just the Directors, so that the rest of our team, all of whom we have retained (furloughed), can stay at home to help in the fight against the virus.

We are working as efficiently as possible to despatch your orders, unfortunately as time passes more items listed on the website will become 'sold out' as we are unable to replenish stock until the general situation improves.

Although we will try our very best to meet your requirements, there may be orders we cannot fulfil. But we will advise asap. We also need you to be aware that there may be courier delays, restrictions on movement and other factors beyond our control.

If you have any queries, we will endeavour to answer them, however we would appreciate it if you could email them to, sales@merlintransfers.com and we'll get back to you as quickly possible.

In the meantime we wish you all the very best of health at this difficult time.

Take care and stay safe.

Richard and the team at Merlin
